Premium Care Product Protection Plan (Policy Wording 1 July 2020)

Congratulations on Your new purchase. We are pleased that You have elected to protect Your purchase with Our Premium Care Product Protection Plan.

Summary of rights and remedies for consumers under the Consumer Guarantees Act

You are a consumer under the Consumer Guarantees Act if You:

- (a) Acquire goods or services that are ordinarily acquired for personal, domestic, or household use or consumption; and
- (b) Do not acquire or hold Yourself out as acquiring them for the purpose of—
 - (i) resupplying them in trade;
 - (ii) consuming them as part of a process of production or manufacture; or
 - (iii) in the case of goods, repairing or dealing with them in trade in relation to other goods or fixtures on land.

If a business sells You goods as a consumer then those goods must:

- be **durable** for as long as most people would expect that kind of good to last;
- be **fit for their purpose** – do the normal things that people would expect this kind of good to do;
- be **free of minor and major faults**;
- do **what You the consumer are told they do** including anything You are told about them and anything written on the box or in advertising material;
- **arrive on time** (if they are delivered) and be in **good condition**.

Rights

If You as consumer have problems with a good, You have the following rights:

- **If the failure is serious** You can choose between a **refund**, a **replacement** with goods of the same type and similar value, a **repair** or **keeping the goods** and the business that sold You the goods will pay You an amount of money to cover the loss in value.
- **If the failure is not serious** the business that sold You the goods can choose to **refund**, **repair** or **replace** with goods of identical type. If they choose to repair or replace it must be done within a reasonable time or You can ask for a refund.
- **If the failure makes the goods unsafe** You can choose between a **refund**, a **replacement** or **keeping the goods** with the business that sold You the goods paying You an amount of money to cover their loss in value.
- **If You incur extra costs from the failure** the business that sold You the goods must pay You a **reasonable amount for damage** caused by any fault or for **extra costs** caused by the failure of the goods including any costs in returning the goods.

Remedies

- You can claim a remedy directly from the business that sold You the goods. You do not have to contact the manufacturer, a repair person or any other third party to claim a remedy instead of claiming from the seller. If the seller tells You to do that, they are likely to breach the Fair Trading Act by misleading You about Your rights.
- You will lose the right to a refund for a serious failure if You do not contact the business that sold You the goods and ask for a refund soon after You discover the fault.
- You must return the goods to the business that sold them to You for a refund unless they are large or heavy or difficult to move. If they are, then the business that sold You the goods must arrange for them to be returned.
- If the remedy is for the goods to be repaired, You must give the business that sold You the goods the chance to repair them before You take them to someone else to repair. They do not have to cover the cost of a repair if You do not contact them first.
- There is no limit on the number of claims You can make.
- If the business that sold You the goods has repaired or replaced them, You have the same rights with that item as You had with the original goods.
- If the business that sold You the goods disagrees about the fault, what caused the fault or what remedy You are entitled to, You can take them to the Disputes Tribunal. There is a cost which You pay to the Tribunal for taking such a claim.

Additional protections provided by the Premium Care Product Protection Plan

Your Premium Care Product Protection Plan operates alongside any rights and remedies to which You may be entitled under the Consumer Guarantees Act 1993 and any other law that applies to the Covered Item. Your Premium Care Product Protection Plan does not affect or limit any rights under the Consumer Guarantees Act 1993, it gives You additional benefits over and above the guarantees of the Consumer Guarantees Act 1993. In summary these benefits include:

- Cover is provided even if Your Covered Item fails due to **Fair Wear and Tear** rather than due to a manufacturing fault, where such protection is not available under the Consumer Guarantees Act 1993;
- **automatic replacement** for an approved claim where the Purchase Price of a Covered Item is **under \$400** (or refund by way of Store Card), where such replacement is not available under the Consumer Guarantees Act 1993;
- after a Covered Item has been repaired three times, Your Covered Item will be replaced should it fail again. Under the Consumer Guarantees Act 1993, Your Covered Item may continue to be repaired if the failure is not serious;
- any **repairs will be completed** and the Covered Item returned or made available to You **within 21 days**, otherwise We will replace the Covered Item (or refund by way of Store Card). We consider that this may be a shorter repair timeframe than that provided in the Consumer Guarantees Act 1993 and that Your replacement is guaranteed;
- if a Covered Item in Your possession suffers a Breakdown while You are **overseas**, for an eligible claim We can authorise You to arrange for the Covered Item to be repaired while overseas at Our cost;
- You are Covered if a Covered Item suffers a Breakdown due to a power surge;
- Premium Care Product Protection Plan is transferable if You sell the Covered Item.
- Certain items will be **Covered for Small Business** use, where such protection is not available under the Consumer Guarantees Act 1993.
- You have additional benefits of Cover for food spoilage and laundry costs even when Your Covered Item fails due to **Fair Wear and Tear** rather than due to a manufacturing fault, where such protection is not available under the Consumer Guarantees Act 1993.

What is Covered by your Premium Care Product Protection Plan

The Premium Care Product Protection Plan applies to electrical or battery operated Items that are purchased for domestic use or Small Business use. Subject to the terms, conditions and exclusions of the Policy, We agree that if, during the period of Your Premium Care Product Protection Plan, the Covered Item suffers an unexpected electrical or mechanical failure, We may elect to repair or replace the Item.

We will pay, subject to the terms, conditions and exclusions of the Premium Care Product Protection Plan, the cost for the Item to be repaired to normal working order or the replacement cost for an equivalent Item up to the original Purchase Price. If the Item has been repaired three times under the Premium Care Product Protection Plan and it fails for a fourth time, We will replace the Item in accordance with Our Replacement Terms.

Regardless of the number of claims, the total amount payable is limited to the original Purchase Price of the Covered Item per claim.

Duration and expiry date of Your Premium Care Product Protection Plan

Your Premium Care Product Protection Plan commences on conclusion of the Manufacturer's Warranty and expires when the first of the following things occurs:

- We replace the Covered Item as a result of a claim;
- We provide You with a Store Card as a result of a claim;
- The date that is one year, two years, three years or four years after the conclusion of the Manufacturer's Warranty, depending on the Policy period You purchased;
- The date that is five years from the date You purchased the Covered Item. It is important for You to check the term of the Manufacturer's Warranty. For example, if You purchase a Policy for four years and the Manufacturer's Warranty is for more than one year, then Your Policy will expire in less than four years after expiry of the Manufacturer's Warranty.

Premium Care Product Protection Plan provides Coverage only to the extent not provided by any other service plan, warranty or insurance policy that Covers the Item subject to the terms and conditions of this Policy. You must first exercise Your rights under any such coverage before making a claim under Premium Care Product Protection Plan.

Replacement Terms

We may replace Your Item with an equivalent product when We decide Your Item is not economically repairable. Technological advances may result in a replacement product with a lower selling price than the original Item. You will not be refunded the difference between the replacement cost and the original Purchase Price You paid for Your Item. The replacement cost shall not exceed the original Purchase Price You paid for Your Item.

Replacement of Your Item shall constitute fulfilment of this Premium Care Product Protection Plan and any remaining period of Cover does not transfer onto Your new item.

Where the original cost of the Item was \$400 or less, and the Item suffers a Breakdown as Covered by the terms, conditions and exclusions of this Policy, You will receive a replacement product or a Store Card.

If We elect not to repair or replace Your Item, We will provide You with a Store Card that has a value equal to:

- a. the recommended retail price of an item identical to the Covered Item or an item with equivalent specifications to the Covered Item; or
- b. where a replacement product with equivalent specifications is not available, the original Purchase Price.

If You choose not to accept a replacement offered to You by Us, You will be entitled to a Store Card of the recommended retail price of the recommended replacement item only, which may be an item identical to the Covered Item or an item with equivalent specifications to the Covered Item.

Replacement/Store Card Notice: If Your Covered Item is replaced or a Store Card is used as settlement, the faulty Item will become Our property. In this instance, the benefits under Your Premium Care Product Protection Plan will have been exhausted and Coverage will cease immediately and there will be no refund of the purchase price You paid for the Premium Care Product Protection Plan.

Additional Benefits

Premium Care Product Protection Plan includes an additional benefit for food spoilage if Your Covered Item is a refrigerator or freezer. We will pay, subject to the terms and conditions of Cover, up to \$300 per Policy where the spoilage was caused by or attributable to a fault that is the subject of a valid claim. You will be required to show evidence of food spoilage with food receipts and photos of the spoiled food.

Where Your Covered Item is a clothes washer or clothes dryer, Premium Care Product Protection Plan provides an additional laundry service benefit. We will pay subject to the terms and conditions of Cover, up to \$110 for laundry services during the period of Cover. The laundry service will need to have been incurred whilst the Covered Item in a valid claim is being addressed. Laundry service receipts will be required in the event of a valid claim.

We may avoid or reduce a claim under Your Premium Care Product Protection Plan if You make any misrepresentation or any fraudulent or dishonest act or omission in connection with the claim.
